### \*Fuki's, Nana's and Sakura's holiday to Tokyo! Fall 2014! (1-2 class).

Fukio, Sakura and Nana went to Tokyo! We are very rich, so we went to Tokyo by private plane.

The first day, we went to Hamarikyu Gardens, because Fukio's friend's name is Sakura. There were many cherry blossoms, and it was very beautiful.

The second day, we went to Shinjuku! Sakura and Nana went to "109". They bought many clothes, so they were very happy.

Fukio went to a ring shop, because she wanted a present for Sakura, and she was going to propose!

On the last day, we went to Disneyland and the Tokyo Sky Tree. Sakura's dream came true in Disneyland. Her dream was to go to Disneyland. We enjoyed it there.

Nana went to a food shop. The food was delicious. Fukio and Sakura went to the "Sky Restaurant".

Fukio said "I love you" to Sakura. She said "Do you want to be with me?" Sakura said "Yes, I want to be with you too!" Sakura became Fukio's girlfriend, but she is Fukio's wife now. They are very happy.

This trip was very exciting, and very happy. Next, they want to go on a new honeymoon trip!

At night, Miyu and Shiori stayed at the most expensive hotel in Tokyo. But Yuka and Rika got lost and went to sleep in Ueno Onshi Park.
